

CONSULTATIVE AIRCRAFT SALES AND ACQUISITIONS

Whether you are buying or selling a business jet, our global experience, relationships, and insight will give you the edge you need to get the best the market has to offer.

GET MORE INTELLIGENCE

Private jet sales and acquisition are all about intelligence—the information, insight, and counsel you need to make the right moves at just the right time. Since 1994, we have been serving the needs of discerning private jet owners worldwide—and accumulating and sharing invaluable intelligence along the way.

WHY CHOOSE ACASS?

Experienced, Industry-savvy Consultants

The ACASS sales team is made up of professionals with decades of combined experience and accrued knowledge. It's what distinguishes a consultant from an ordinary broker, and why so many of our clients stay with us year after year.

Key Relationships and International Expertise

Extensive global network that includes aircraft owners and operators, major aircraft manufacturers, reputable aviation brokers, advisors, and service providers. Over \$2 Billion in successfully completed aircraft sales transactions and multi-project experience in 56 countries on 6 continents.

Global coverage

With offices or local presence in every corner of the globe, ACASS sales consultants are tapped into private aviation markets worldwide, and are never too far to access the right aircraft and close the deal.

Sales and Acquisition Services

- ✈ Representation for new and pre-owned aircraft
- ✈ Multi-channel, strategically targeted marketing
- ✈ In-house aircraft appraisals and market studies
- ✈ In-house legal counsel and contract negotiations
- ✈ Pre-purchase inspection management
- ✈ Assistance sourcing and securing financing

Access to Exclusive Information and Off-market Aircraft

Our partnerships, working relationships, and global client-base generate invaluable information, insights, and off-market opportunities. We constantly monitor and analyze the fluctuating trends affecting the value and supply of business aircraft.

Operational Support

With a fleet of over 25 mid-to-large managed aircraft and growing, ACASS has the operational experience to understand and support your needs before, during, and after the sale.

Entry Into Service (EIS) Specialists

Complete EIS turnkey service available for seamless and timely delivery and operation startup of newly acquired aircraft.
