

ACASS
OWN YOUR JOURNEY®

YOUR JOURNEY WITH ACASS

SCROLL
DOWN

Own your purpose. Own your time. Own your dreams. Since 1994, ACASS has been unlocking the possibilities of business aviation. Our best-in-class business aviation support services and world-class expertise can help you Own Your Journey®, too.

ACASS SERVICES

Aircraft Sales & Acquisitions

Whether you are buying or selling a business jet, our global experience, relationships, and insight will give you the edge you need to get the best the market has to offer.

Flight Crew Staffing

Whether you need full crew for a single flight or a captain you can count on for years, nobody delivers business aviation pilots, maintenance technicians, and flight attendants like ACASS.

Aircraft Management

Peerless safety, regulatory, and cost management of your aircraft combined with refreshingly old-school personal attention.

Charter

With limitless options, tailor-made service, and unsurpassed safety and operational standards, ACASS charter lets you Own Your Journey® without owning an aircraft.

Entry Into Service (EIS)

The global expertise, knowledge, and relationships, to support and guide you through every step of the complex entry into service process, during and after the delivery of your aircraft.

Ferry & Delivery Flights

The expertise to deliver exactly what your ferry and delivery mission requires, including entry into service, flight crew, regulatory compliance, and more.

Leasing

Fully operational aircraft and cost-effective short- or long-term turnkey leasing solutions tailored to your needs.

SMS Compliance Support

As an IS-BAO Stage 3 registered Canadian aviation organization, ACASS is at the forefront of Safety Management System (SMS) compliance support and implementation.

Technical Consultancy

We ensure the airworthiness of your aircraft meet international safety standards, and protect the value of your asset through regularly scheduled and unscheduled maintenance programs.

WHY CHOOSE ACASS?

Globally Experienced and Adept

Unparalleled global multi project experience, knowledge of aviation regulations, and cultural sensitivity. Aircraft registration capabilities in the US, Canada, Bermuda, Cayman, Isle of Man, San Marino, India, and Ireland.

Highest Standards of Excellence

SMS Compliant since 2008, IS-BAO Stage 3 certified, and Gold Rated by ARGUS® International.

Member of Leading Industry Associations

We are member of all leading industry associations including NBAA, EBAA, CBAA, MEBA, BBGA, BAOA and IADA.

Trusted By Clients and Industry Partners Worldwide

Our clients include game-changing individuals and organizations all over the world and we maintain strong relationships with a global network of aircraft owners and operators, major OEMs, aviation advisors, and service providers.

Results You'll Like. People to Match.

We pride ourselves not only on having some of the most experienced and capable people in all of business aviation, but also on having some of the very nicest. We give undivided personal attention and service to every client.
